Brent Regan, Chairman

RE: MUR 7559
Kootenai County Republican
Central Committee

Dear Mr. Regan:

On January 31, 2019, the Federal Election Commission ("Commission") notified the party identified as "Your Conservative Republican Precinct Committeeman" of a complaint alleging violations of certain sections of the Federal Election Campaign Act of 1971, as amended (the "Act"). On August 15, 2019, based upon the information contained in the complaint and information provided by respondents, the Commission decided to dismiss allegations that the Kootenai County Republican Central Committee violated provisions of the Act. The Commission then closed its file in this matter. A copy of the General Counsel's Report, which more fully explains the basis for the Commission's decision, is enclosed.

Documents related to the case will be placed on the public record within 30 days. See Statement of Policy Regarding Disclosure of Closed Enforcement and Related Files, 68 Fed. Reg. 70,426 (Dec. 18, 2003) and Statement of Policy Regarding Placing First General Counsel's Reports on the Public Record, 74 Fed. Reg. 66132 (Dec. 14, 2009). If you have any questions, please contact Don Campbell, the attorney assigned to this matter, at (202) 694-1650.

Sincerely,

Lisa J. Stevenson
Acting General Counsel

18 The Complaint alleges that an unknown person mailed a flyer lacking a proper disclaimer
19 shortly before the 2018 general election that advocated for the election of congressional candidate
20 Russ Fulcher.¹ The flyer states that it is from "your Conservative Republican Precinct
21 Committeeman," which the Complainant alleges is false.² The Committee acknowledges the
22 omission of the "Paid for by" disclaimer on the flyer, and attributes the error to a misunderstanding
23 with the printer.³ The owner of Upscale Mail, the printer,³ responded that Upscale Mail produced
24 and mailed the flyer for a total cost of \$83.81.⁴

25 Based on its experience and expertise, the Commission has established an Enforcement
26 Priority System using formal, pre-determined scoring criteria to allocate agency resources and
27 assess whether particular matters warrant further administrative enforcement proceedings. These
28 criteria include (1) the gravity of the alleged violation, taking into account both the type of activity

1 and the amount in violation; (2) the apparent impact the alleged violation may have had on the
2 electoral process; (3) the complexity of the legal issues raised in the matter; and (4) recent trends in
3 potential violations and other developments in the law. This matter is rated as low priority for
4 Commission action after application of these pre-established criteria. Given that low rating and the
5 low dollar amount spent to copy and mail the flyer, we recommend that the Commission dismiss the
6 Complaint consistent with the Commission's prosecutorial discretion to determine the proper
7 ordering of its priorities and use of agency resources.⁵ We also recommend that the Commission
8 close the file and send the appropriate letters.
